Series

Ghalia

The storyline of the series "Ghalia" is an epic work that depicts the liberation of the Hejaz regions and cities from the control of the Ottoman Empire and its arrogant army. The narrative touches the emotions of the reader and viewer through romantic tales and stories that evoke enthusiasm and nationalistic feelings towards liberation, victory for the oppressed, and the defeat of the arrogant and boorish oppressor with its military might.

Antara

The Story of Antarah ibn Shaddad is a series that narrates the chaste love story between the Arabian knight Antarah and his cousin Aḥlah. It also explores the relationship between Antarah and his brother Shaddad. The series sheds light on the social, political, and economic conditions prevailing in the Arabian Peninsula, particularly in the deserts of Najd, during the transition from a nomadic to a more urban society. It also emphasizes the idea of equality championed by vagabond poets of the time

Muawiya wa AlHassanain

Series of Muawiya and Hassanain A series that narrates the events of the great sedition that shook the nation years after the death of the Prophet, peace and blessings be upon him, and the role of the Jews in fueling it. The series begins by shedding light on the lives of Imams AlHassan and AlHussein and their role in defending the Commander of the Faithful, Othman ibn Affan, and supporting the Commander of the Faithful, Ali ibn Abi Talib. It also presents AlHassan's abdication of the caliphate to bring peace among Muslims and unify the Islamic Ummah. It ends with AlHussin sacrificing his life to preserve the principle of shura in governance and God's revenge on AlHussein's killers. It was produced in 2011 in Syria, Morocco, Jordan and Lebanon with full HD technology and underwent cinematic color processing and correction. We offer you a new version of the series after revision and usually editing, mixing and correcting the colors of the episodes
